

Wanda's Roses

by Pat Brisson

Talk it over with your friends or family. Why did Wanda's friends bring her rose bushes? Think of as many reasons as you can.

Wanda got pink and red and yellow rose bushes as gifts. When the roses were in bloom, she made bouquets for her friends. She gave everyone 10 roses, but she made each bouquet a different way.

Punch out the roses on the cover. See if you can make a different bouquet for each person. (The chart shows you two examples.)

Person	Red	Pink	Yellow
Joey	10	0	0
Jamilla	0	5	5
Mrs. Turner			
Mr. Claudel			
Mrs. Giamoni			
Ms. Jones			
Mr. Sanchez			
Mom			
Grandma			
Uncle Bob			

When you are done, color or tape down the bouquet that is your favorite.
