

Wanda's Rose Garden

Uncle Bob built a fence around Wanda's garden. Draw a plan for the inside of the garden.

1. Where will you put the thorn bush?
(It never grew roses but Wanda liked it.)

2. Where will you put Wanda's rose bushes?
In the corners? In a row? In the center?

3. The garden needs a path. It could be straight or curvy.

4. How about a birdbath? a bench? squirrels? a fountain?

5. When you are done, color the garden. Color the grass green and the dirt brown.
The rose bushes can be whatever color you like!
