

The Sundae Scoop

by Stuart J. Murphy

The ice cream sundaes were a big success but the next year Winnie decided to make ice cream cones instead. There were paper cones and sugar cones, and four flavors of ice cream. Punch out the ice cream cones on the cover and put them in the right spot on the tree diagram.

The tree diagram shows 8 cones without sprinkles. If people have a choice for sprinkles or without sprinkles, how many combinations are possible now? _____ Explain.
