

## The Lunch Booth

The Dads ran the lunch booth. You can get a hot dog or hamburger, chips or pretzels, and soda or lemonade. Punch out the lunches on the cover. Put them in the right spot on the tree diagram:

There are 8 possible meals. How many combinations have hot dogs? \_\_\_\_\_  
 How many meals have pretzels? \_\_\_\_\_ How many meals have lemonade? \_\_\_\_\_  
 What do you think the most popular meal will be? \_\_\_\_\_
